**ORDER GRANTING MOTION TO DETERMINE
THE CONFIDENTIALITY OF TRIAL COURT RECORDS**

This Matter is before the Court on the Motion to Determine Confidentiality of Trial Court Records filed by the Defendant pursuant to rule 2.420(c)(9), Florida Rule of Judicial Administration. The Defendant seeks an order for an order determining the confidentiality of court record, an order sealing the same if entered into evidence, and prohibiting any party to the case from disseminating any information obtained from said subpoena except as related to the preparation and trying of this case.

The Court **GRANTS** the motion as follows:

1. Confidentiality of the documents is required to protect the following interests:
 - a. Obtaining evidence to determine the legal issues in a case.
 - b. Protecting the work product of the entity at which the subpoena is directed.
 - c. Complying with all Health Insurance Portability and Accountability Act (HIPAA) protections.
2. The Court further finds that no less restrictive measure is available to protect these issues, and that the degree, duration, and manner of confidentiality ordered herein are no broader than necessary to protect the interests.

Wherefore, it is hereby **ORDERED** that:

Filed in Open Court on the 27 day of
